

The Compact Guide to  
**Orthodontics**  
Price guide

# Personalize

your own practice magazine...

and dominate your orthodontic market!

These bespoke 'Guide to Orthodontics' magazines are professionally designed and personally branded giving you the ability to increase referrals, educate patients and raise the profile of your practice.

Lush Design's publications group, Smiles and Faces, are proud to be the premier provider of patient education and information materials available in digital/electronic or printed formats.

## The e-magazine is a fast growing referral tool which:

- ✓ Distinguishes your practice from others
- ✓ Increases your referral rate
- ✓ Is easily disseminated through email, Facebook, social media or USB sticks
- ✓ Provides accessible orthodontic and practice information 24/7
- ✓ Can improve search engine rankings if you optimize key topics
- ✓ Saves on printing and distribution costs
- ✓ Can be viewed on most media sources including computers, iPads and iPhones

## The printed magazine replaces your leaflets and brochures allowing you to distribute to new markets you couldn't reach before such as:

- |                                      |                                 |                          |
|--------------------------------------|---------------------------------|--------------------------|
| ✓ Dental practices                   | ✓ Schools/Colleges/Universities | ✓ Car show rooms         |
| ✓ Homes in your local catchment area | ✓ Local libraries               | ✓ Local businesses       |
| ✓ General medical practices          | ✓ Hotels                        | ✓ Theatres               |
| ✓ Hospital waiting rooms             | ✓ Sports centers and gyms       | ✓ Beauty salons and spas |
| ✓ Existing and past patients         | ✓ Golf centers and clubhouses   | ✓ Hairdressers           |
